Re: Letter of recommendation

Mr Sam Ndobe

To whom it may concern

I am pleased to write this letter of recommendation for Mr Ndobe who was employed as a painting supervisor by the Wondercoat Group on its inception in 1973

His duties consisted of:

Supervising a team of seven (7) employees

Ensuring the quality of work being done and that all forms of work are completed as per contract and to Company satisfaction in the following fields.

Wall Coatings

Roof Coatings

Waterproofing

Dampproofing

I highly recommend Mr Ndobe and feel that he will be a positive addition to any company should his skills as listed above be required as I have found him to be trustworthy and hard working.

Should you have any queries please feel free to contact me.

Kind regards

Rob Long
